**Superintendent Minister's Letter**

Dear Friends,

***Advent 2021***

November 28<sup>th</sup> will be Advent Sunday, and the start of the four weeks of Advent, which run up to Christmas.

Have you ever wondered what the word 'Advent' means? It comes from the Latin 'Adventus' and means literally 'imminent arrival'. All around us at this time of the year, there are many signs of the imminent arrival of Christmas. Many of our main streets are decorated with colourful flashing lights, some tasteful others rather garish! There are Christmas trees going up in schools, homes and offices. At home we will soon be writing out endless Christmas cards, preparing food in the kitchen and doing our Christmas shopping in those ever-busy high streets stores or maybe on line.

I know that for many of you, the very thought of these tasks can seem rather daunting, and Advent can be less of a period of joyful tidings than a season of mounting stress! I would like to suggest to you all however, that this year our preparations should be less about shopping and more about prayerful reflection as we wait in anticipation for the arrival of Jesus Christ, the babe in the manger whose arrival in our world we will celebrate on Christmas Day.

Advent should be the time of the year when we not only prepare our homes and kitchens but also prepare our hearts and minds for the arrival of Christ. This year, our circuit ministers are going to run an Advent Bible study course (by Zoom) on Wednesday evenings throughout December that will help us all with these preparations. The title of the study is 'Hearing the Advent story'. We are going to be studying the nativity stories in Luke and Matthew which challenge us to hear the biblical story afresh. We will hear again the stories of the Angels, the Prophets, the Shepherds and the Magi. As we study these passages afresh, I pray that many of you will join us, and that faith will be rekindled and refreshed.

May this Advent be a period of particularly fruitful devotion for us as a circuit as we recover from the devastating impact which the Covid Pandemic has had on all our lives in general and our churches in particular. May we look towards Christmas and beyond with a sense of hope and anticipation born out of a genuine

desire to share with our world the light of Jesus Christ that is even now coming to our world.

Silent night, holy night:  
sleeps the world; hid from sight,  
Mary and Joseph in stable bare  
watch o'er the child beloved and fair  
sleeping in heavenly rest.

Silent night, holy night:  
shepherds first saw the light,  
heard resounding clear and long,  
far and near, the angel song:  
'Christ the Redeemer is hear'! (STF 217)

May the good Lord go with you all this Advent season and for evermore,

*Revd Richard A.J. Grocott*

## Advent Prayer

Prayer of approach, longing and confession for the Advent season.

God, with us,  
As we enter this season of longing and waiting,  
bear with us a little longer;  
Be patient with our impatience.

You have journeyed alongside us from the beginning of time,  
Yet still we miss the signs of your presence.

When we are blinded by the brashness of this season:  
Open our eyes to the glimpses of your glory.

When we want simple answers:  
Open our minds to the hints of incarnation.

When we are deafened by our own shouting:  
Open our ears to the whispers of your grace.

May we share with you in longing for restoration and renewal  
and may we be watchful for the light that breaks through  
the darkness of our world.  
In Christ's name.

Amen

God says 'Be patient, watch and wait,  
for the time is close at hand.'  
Know that you are loved, forgiven and healed.

Amen.

Thanks be to God.

## Advent and Christmas 2021

### Great joy for all the people

But the angel said to them,

“Do not be afraid; for see –  
I am bringing you good news  
of great joy for all the people...”

*Luke 2:10 (NRSV)*

During the past two years' lockdowns, communities have become further disconnected and dispersed. People are tired and many are living in more difficult circumstances due to the ongoing pandemic. Internationally, many people live in danger; from threats of war to wildfires. But the message of Jesus' birth at Christmas continues to be one of hope in our troubled times. God's love is stronger than our fears. And as we aim to be an increasingly inclusive, evangelistic and justice-seeking Church, this is, importantly, a joyful message "for all the people".

Recognising everyone's fatigue and the Covid-19-related uncertainty that surrounds the approach of Christmas, this year the Methodist Church is encouraging congregations to simply reach out to their communities with the angel's message – to near neighbours and to people living on the margins. To reconnect, and assure everyone that the Methodist Church is praying for them and cares about their community and concerns.

### **Safeguarding in the Methodist Church**

The Blackheath & Crystal Palace Circuit is working hard to provide Safeguarding training (Foundation and Refresher) for all those within our community who are either obliged to, or wish to, receive Safeguarding training. However, please be patient, with a limited number of trainers, and a significant number of people desiring training, it may be a while before you are invited to attend a training session. Please talk to your church Safeguarding office who will be able to tell you more about the training, and whether you are on the list of those to be invited to attend when a session becomes available in your church. Alternatively, you can email the Circuit Administrator who can advise your current Safeguarding status: [office.bcpc@btinternet.com](mailto:office.bcpc@btinternet.com)

**Anerley Burnt Ash Eltham Park Forest Hill Hither Green  
Lewisham Sunfields Upper Norwood Wesley Hall**

The London District of the Methodist Church also offers an **Advanced Safeguarding** course. If you hold the following posts, you are *obliged* to take this qualification:

- Church Safeguarding Officer
- Local Preacher
- Worship Leader
- Those in voluntary roles that include leadership within the Methodist Church, which involves direct work with children, youth or vulnerable adults (ie Junior Church Leaders, Leaders of fellowship groups/class leaders involving vulnerable adults etc etc)

Many members across the Circuit have already taken this qualification, but we are anxious that *everyone* in the above categories is aware not only of the need to attend training, but how they may do so. Details of training sessions are listed below. You must hold the Foundation level before registering for the Advanced Training Session. Please note, training at Advanced level is open to anyone who feels they would benefit, even if they do not specifically work in the areas listed above.

Living hope is a project which aims to provide good quality education for disadvantaged children in Baddomalhi, Pakistan

Dear Friends,

I hope you are keeping well and it's so good to give you an update on the Living Hope School.

I am writing this newsletter from Paisley, Scotland. I moved here for my new appointment to minister in a few churches here, which started on the 1st of September. It has been really busy but I am enjoying being here. People are lovely and I feel that God has a plan and purpose for me in this place. You all are in my prayers as Living Hope School and I are in yours.

All of our students, teachers, and their families are safe. The infection rate is still very low in Baddomalhi. The school reopened at the beginning of August but all the schools were closed down twice due to a rise in Covid infection in the neighbouring areas.

The school reopened again on the 20th of September and all the students are back in school receiving lessons. All the covid measures are in place and hopefully children over 11 years old will start to receive their vaccination.

Most of the adult population in Baddomalhi has been vaccinated. We upgraded some of the old computers and our students are making the most of the technology. Computers and tablets have been hugely beneficial to their learning so we are still looking at buying more tablets.

Thank you very much for your continued support and prayer.

God bless,

Rev Imran Malik

### **Circuit Stationing: September 2022**

The circuit invitations team is delighted to announce that our circuit has, in the first round of Presbyteral stationing, been successfully matched with Revd William Davis. William will be joining our circuit in September 2022 and will have pastoral charge of Upper Norwood and Anerley Methodist Churches. William will be coming to us from the Wolverhampton circuit. Previously, he served part time in the New River Circuit (North London) and part time as Chaplain to the Ghanaian Methodist Fellowship. Prior to that, he served in a number of appointments in Ghana, his home country, including work in Christian education. He comes to us with his wife Vashti, who is an early years teacher. William and Vashti have four children, though it seems likely that only two will make the move back to London. William brings experience, enthusiasm and an eagerness to build churches and faith in our circuit.
